

# DAVID DI DONATO

Died on May 15, 2016

David di Donato of Dripping Springs died peacefully in his sleep on Sunday, May 15, after a heroic battle with appendix cancer. He was 60 years old.

David was loved by many, including his wife of 29 years, Landi Russell di Dinato; as well as his two brothers, Vince and Greg di Donato. He was preceded in death by his parents, Louis and Millie di Donato.

David spent his life making people and nature more beautiful. He was a hairstylist of 32 years and leaves behind many devoted clients. When David wasn't at his salon, he was working in his yard – planting, landscaping, building and creating a lush sanctuary for his family and friends to enjoy.

David will be remembered for his corny jokes, his generosity and his faith in God, even when the going got tough. He served the Lord as much at work and home as e did in his church. He was an advocate for Compassion International and was passionate about helping children who live in poverty.

In lieu of flowers, the family requests donations to [Compassion International](#).
